

Good afternoon everyone,

The Pantry was a busy place again yesterday, with 83 families attending. It seems that this is our new norm, as more and more first-time clients have come to us for help - 7 families last week and 4 more this week. We count it a great privilege to serve the community with food, clothing, household goods, and most of all with the love of Jesus expressed through our staff and volunteers each week.

With the change of seasons, we have seen more families needing fall and winter clothing and coats. We are especially in short of children's sizes at this time. While we have some sources available for donations, if you live locally and have warm clothing that your children or grandchildren have outgrown, we would be happy to add gently-used items to our Clothing Closet. Simply contact CedarWood at 206-883-5132 or stop by Bethel Chapel in Mountlake Terrace with your donation.

Praying God's blessing and refreshing for each of you this week. We love you!

The CedarWood Team
