**DC, GATHERING
OF THE EAGLES
2017
OCTOBER 9 - 12**

Dear Friends:

We had a brief but wonderful mini Gathering of the Eagles just a few weeks ago. Our Lord's presence was powerful and sweet. However, since it was one of the smallest GOE's we have ever had, the work we were able to accomplish was minimal.

I do not think I need to tell intercessors of America the trouble POTUS is in. How a person can be the President of the United States—a Christian Nation—and get into so much trouble for striving each day to “do right” I’ll never know! We do know that Satan works day in and day out to wreak havoc on the steps Trump is taking to bring our Nation back under the rule of law and the authority of God. Satan does not want to lose a Nation he’s worked so hard to corrupt.

Too many conservatives and Christians alike are listening to—and believing—the liberal news coverage rather than listening to the Spirit of our Father. President Trump has fulfilled a large percentage of His promises in less than a year into his Presidency. This is not without tremendous battles. If you are an intercessor, his battles have been your battles and you have surely felt the heat of those battles.

I saw in a vision that there would be two major battles going into the Fall. The first one, I believe, just happened in Virginia with the riots. The second pertains to President Trump's life. A certain individual wants to kill him and he has all the help he needs to make it happen. However, if he succeeds it will only be because the Church did not pray. I tell you the truth. A man does not have to be perfect to win the kind of battles President Trump is winning, what he does need is an army of intercessors willing to do their part. Please read Job 22:21-30. It represents the promise; God will hear the prayers of the righteous when prayed even against an armada of evil circumstances.

As we have written before, President Trump is “God’s Cyrus to this generation”. He lived to a ripe old age, until Israel was securely in its place. Trump is a lover of Israel just like Cyrus of the Old Covenant. This love was put in his heart compelling him to fulfill the will of God on behalf of Israel.

This can play out one of two ways:

God can save America and the world will be saved. But, it will require “the fervent prayer of the righteous.” If they succeed, and Messiah has His way, He will send a mighty revival to Israel and God’s plans will continue to roll out.

Or, the intercessors can continue to be negligent and we will lose everything we have worked so hard for, all at the hands of one man, Soros. We will lose America, the world will subsequently be lost to the NWO, and Israel will follow suit. It is a despairing report. There is no middle-ground my friends, it’s either or.

***Please read Job 22:21-30. It represents the promise;
God will hear the prayers of the righteous when prayed
even against an armada of evil circumstances.***

No other man in alignment for the Presidency will give his life for Israel. Others may have a burden and even a desire, but none are anointed to give their life (should it be necessary) to save Israel.

In a three-hour visitation I was told I was to wage war on behalf of America, doing all I would be told to do. Jesus promised me that if I would obey, He would send revival before He would allow war to come to our land. He closed by saying that if I failed, war would come without revival. Is. 41:26–29. Again He led me to Is. 45:1-25 that a new Cyrus would arise doing many great things. (Please read the passage and be encouraged.)

Although President Trump has begun this good work, he has not finished it and there is no one standing in the cue to take his place should we lose him. It is difficult for Christians to understand many of God’s ways in the midst of the battles, yet, when all is said and done, it looks so beautiful. So, trusting Him, we move forward.

The Lord spoke to me that He had placed the safety of the Nation, and in turn, the world in my hands and that He had created no one else to fill those shoes because He knew I would be faithful to the call. Yet, this message is not for me alone. It is for all who are called to come and pray with us. He has never made a single man to do what it takes a company to do. In simple words, we need you!

My dear friends come and pray with us. We only have room for 600 but it will take that many to accomplish what we need to do. Come and stand in the gap with us and see the tremendous victory that awaits us. It is now, or perhaps, never.

In His Love,
Nita Johnson
