## Greetings in the wonderful Name of Jesus!

I am writing you today to share my heart about America and the DC Gathering of the Eagles in March.

I wonder how many of you watched the State of the Union and observed President Trump's interplay with Nancy Pelosi and wondered how she could possibly be so hard-hearted, disingenuous, and afterwards make statements completely ignoring the truth set before her; I could go on. The same rule seems to go with all or most of the apparent "down side" of the up/down paradigm of politics. Keeping in mind, the "up" side are those fighting for liberty. The "down" side are those striving to bring progressivism (through the socialist/communist agenda) and the New World Order to America.

Do you wonder how the Nation could be in such peril? We see new abortion laws implemented, people being assassinated (both physical and politically) for righteousness' sake, and cannot help but question—how can this be? How can our elected officials be so insincere regarding a border wall once the facts are presented? Is it possible that rotten-tasting apples can hang on the same tree as delicious apples?

### **The Lord says: "NO!"**

The truth is that our King is pulling back the veil to expose what has been occurring for so long, just as the Lord told me He would do so many years ago. He is not trying to provoke a Civil War, He is simply revealing what happens when a Nation quits praying and turns from God. When we refuse the Rule of Law, first God's Rule of Law, secondly man's Rule of Law, we will experience the inevitable consequences.

The Lord calls America "the garden of the gods." How can that be? When a Nation opens the Gate to the Nation and invites in every kind of god known to man, Lord labels it

as such and these gods become our new leaders. This, in turn, causes us to lose our personal sovereignty.

The Elite planned this many years ago. They knew they could never take America from its people as long as we had our Sovereign Lord on His throne over our Nation. Therefore, at best, they had to remove Him or, at the very least, diminish Him substantially in the hearts of the people. At any rate, He had to lose His right to rule the Nation if we were going to be overtaken by the Elite and their many gods. They were very patient; they worked slowly and diligently to accomplish this goal. That is what we are witnessing in DC. The long-standing rebellion against the Rule of Law is treacherous and destructive.

What we are witnessing is not due to an "inexperienced President," but rather, the workings of our Lord. Trump is God's Cyrus! He was sent by God to reveal the corruption and sin within, and then heal, our Nation. Knowing this, we pray all the more! We will not give up praying, standing in the gap, and trusting God to complete the work He has begun.

Admittedly, things will get a bit worse before it gets better. The good news is that God will not leave us nor will He forsake us. We must have the same heart and decide we will not leave His plan until the Nation is deeply tucked inside of the Lord's will.

Our success as intercessors is revealed each time we see the ugly face of battle. Pray for Trump!!!! He is being scarred and

bloodied in this battle. As intercessors, we cannot leave him to stand alone. We will see every promise fulfilled if we continue to Pray! Pray for our President, our Government, the Church, and the Nation. Pray in faith, doubting nothing! Don't be impatient! God is Working!!!! And, He knows what He is doing!

Show your support and determination to see this plan through. God's will must stand supreme, and He has given our Nation to be free!

After having spent many hours in the Constitutional Convention of 1787, Benjamin Franklin was asked, "Well, Doctor, what have we got, a republic or a monarchy?" With no hesitation whatsoever, Franklin responded, "A republic, if you can keep it." Come to **DC March 18-22, 2019** and help us fight to keep our republic!!!

In His Love,  
Nita Johnson
