

## **6) Trump's Secret Army: The Coming Loyalists & Warfare by Stealth**

Nita's dream

### **Warfare by Stealth Dreams 7. 25. 2020**

What Nita saw was spanned out over several dreams. Nita saw stealth operations of all kinds all over America. The place was dark. It was at night. No warning given to the people.

Government didn't want us to use any communications like the phone or internet at night in case the government needed to use those lines.

(after the dreams Nita thinks the Presidential warning on our phone a few years back was a test to be used for the future)

Americans that trusted Trump were at peace. Democrats were afraid but in their homes. Democrats really didn't know what was going on until things started happening. The best that Nita could tell no one knows what the government will do.

In the dreams Nita heard gunfire spaced out not in rapid succession. There were a lot of voices like people giving orders. The emphasis of the dream was warfare by stealth.

It was like the Battle of the Bulge. The soldiers drew the enemy in until all of these hidden soldiers could trap the enemy like the battle of the bulge. This morning Nita also saw the hunters and fishers do the same kind of thing; woo the enemy into these unknown untried places and take them by stealth. She had 4 or 5 dreams all of them were dark. It was rare to do warfare at night but that was what they were doing. It was so well planned it was like a military takeover of the cabal. After seeing these dreams, she sees the government is not letting any information out about what they are going to do. Nita doesn't know if the Lord is giving her a typology or actual scenes.

At the end all the gun fire settled down. They were all captured. Everything became so quiet and then the Lord gave her a haunting song.

*He's the essence of the beginning  
He's the essence of the beginning  
He's the essence of the beginning  
He will ru-le and reign  
He will ru-le and reign  
He will ru-le and reign forevermore*

He who is the essence of the beginning will rule and reign. The warfare will result in God's victory in America.

As she discussed the song, the Lord gave her a vision of the whole dynamics of the warfare that surrounded the song the Star-Spangled Banner.

The song was not vibrant it was haunting because a vision came to her regarding the star-spangled banner. In the middle of the night, Britain was going to shoot the flag down. After all the boats finished firing at the flag, there was an eerie silence and when the smoke cleared the flag yet waved. This is why the song was so haunting. And it depicts what is about to occur. The warfare in the middle of the night and the victory.

She believes this warfare will happen before the election.

These people that helped Trump into office knew this was the plan. It has been planned for a long time.

Artem asked about COVID and pandemic.

Nita believes they will use that as well. Media is warning us we won't know who has been elected.

Nita was looking at a vision she had earlier. Lord spoke to her adamantly. Stop Biden from entering the Presidency. (end)

Avi, my Father, we come before You tonight in the Name of Yeshua.

We glorify Your Name. King of kings and Lord of lords, ADONAI Tzva'ot, The Lord of Hosts, Commander of the Armies of Heaven and Earth

Thank You Lord for giving your intercessors strategies from Heaven to enable those who have the task to do what needs to be done on the ground

### **Isaiah 9:7 AMPC**

*Of the increase of His government and of peace there **shall be** no end, upon the throne of David and over his kingdom, **to establish it and to uphold it** with justice and with righteousness from the [latter] time forth, even forevermore. **The zeal of the Lord of hosts will perform this.***

**The zeal of the Lord Almighty will accomplish this.** It is the zeal of the Lord that will **combat the tide of corruption and wickedness in high places.** It is a **spirit-empowered, heaven-enforcing, devil-crushing anointing that will break the yokes that are seeking to squeeze the very life out of our nation.**

Avi, my Father, we come before You tonight in the spirit of humility.

- Avi, You see that as a nation we are like Isra'el when the Midianites were robbing and stealing from them leaving Isra'el impoverished.
- Avi, Isra'el, Your people, cried unto You for salvation from the enemy
- Avi, You sent a prophet to Isra'el just as You have sent a prophet to this nation with the Word of the Lord

### **Judges 6:8-10 AMPC**

*<sup>8</sup>Thus says the Lord, the God of Israel, I brought you up from Egypt and brought you forth out of the house of bondage.*

*<sup>9</sup>And I delivered you out of the hand of the Egyptians and out of the hand of all who oppressed you, and drove them out from before you and gave you their land.*

*<sup>10</sup>And I said to you, I am the Lord your God; fear not the gods of the Amorites, in whose land you dwell.*

- Avi, in that day of Gideon, You brought forth **Your Mighty Army**, called to **bring down** the enemy of Midian, the place of judgement, strife.
- By Your hand Avi, in stealth warfare, a battle of the night, You **brought forth** Your Light, Your torches, Your shofars, Your sound, and the enemy **was hewn down, cut off, cut asunder** from Your people of Isra'el.
- Thank You, Avi, You are **DOING IT AGAIN !!!**
- For the **sword of the Lord** and **for President Trump**
- **For Your Glory**
- Thank You, Avi.

Avi, You readied Gideon for the battle they were preparing for.

### Judges 6:16,34 AMPC

*<sup>16</sup> The Lord said to him, Surely I will be with you, and you shall smite the Midianites as one man.*

*<sup>34</sup> But the Spirit of the Lord clothed Gideon with Himself and took possession of him, and he blew a trumpet,*

Tonight, Avi, in the Name of Yeshua, we also speak **Your** preparation into this secret army of President Trump.

We **decree and declare** that their mission **IS** the mission of ADONAI Tzva'ot, the Lord of Hosts.

**You**, Lord, are the Commander-in-Chief leading President Trump, Your earthly Commander in Chief, leading His every thought and step.

This, Avi, is about **Your** military takeover of those who have attempted to place themselves in **Your** way – deciding they were going to block/stop **You** in Your Counsel, Your plans, Your purposes which You appointed Your Cyrus, President Donald Trump to execute on the earth.

## **Isaiah 46:9-11 AMPC**

<sup>9</sup> *[Earnestly] remember the former things, [which I did] of old; for I am God, and there is no one else; I am God, and there is none like Me,*

<sup>10</sup> *Declaring the end and the result from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all My pleasure and purpose,*

<sup>11</sup> *Calling a ravenous bird from the east—the man [Cyrus] who executes My counsel from a far country. Yes, I have spoken, and I will bring it to pass; I have purposed it, and I will do it.*

Tonight we stand in the righteous path enforcing the plan of the Lord.

- We declare tonight, Avi, just as with Gideon, this special ops team is going in the authority of **their** leader, President Donald Trump.
- This army is acting upon the words given to them by President Trump, the one **You** have chosen for this time in history.

**From Judges 6:12 and 14 to you, President Trump, we declare and decree the Word of the Lord over you.**

<sup>12</sup> *The Lord is with you, you mighty man of [fearless] courage.*

<sup>14</sup> *The Lord turned to him and said, Go in this your might, and you shall save Israel (America) from the hand of Midian (the enemy). Have I not sent you?*

**To this team of patriots and loyalists who love this nation we proclaim over you all**

## **I Kings 8:12 AMPC**

*The Lord said that He would dwell in the thick darkness.*

So to this team under the authority of Pres. Trump, we decree and declare

- As you carry out the Lord's plan to secure this nation from those who greatly desire to destroy it, you will be hidden in His thick darkness that the enemy not be allowed to see you.

- Your preparation will be sure and your feet steadfast.
- Your vision and path will be clear - free from any obstruction
- Your actions will be strategically tactical.
- Your actions will be swift and targeted
- To those seeking America's destruction we strike down your plans – we cut them off, and nullify every one of them.

That Lord You would protect the ones called to carry out these operations

Lord give the ones that will be carrying out Covert and Clandestine operations on the ground the element of surprise and all that they need to conduct these operations, whether military or special Security groups.

Lord help them have good and correct intel

Lord Thank you for these involved the training, planning and executing these operations.

Once these are apprehended let there be swift justice and then the true story told to the American people

*Psalm 91: 8 Only keep your eyes open, and you will see how the wicked are punished.*

### [From Isaiah 54:17 KJV we proclaim](#)

*<sup>17</sup> No weapon that is formed against us shall prosper; and every tongue that rises against us in judgment Thou shalt condemn. This is the heritage of the servants of the LORD, and their righteousness is of Me, saith the LORD.*

We **decree and declare** that your plans will come to nothing. You **will not** prevail against the Lord God of Abraham, Isaac, and Jacob.

### **Judges 7:21-23; 8:1 AMPC**

*<sup>21</sup> They stood every man in his place round about the camp, and all the [Midianite, the place of judgment and strife] army ran—they cried out and fled.*

*<sup>22</sup> When [Gideon's men] blew the 300 trumpets, the Lord set every [Midianite's] sword against his comrade and against all the army, and the army fled as far as Beth-shittah toward Zererah, as far as the border of Abel-meholah by Tabbath.*

*<sup>23</sup> And the men of Israel were called together out of Naphtali and Asher and all Manasseh, and they pursued Midian.*
