

COUNTDOWN TO DECISION 2024

We are living in a time of great moral divide. Unless Christians engage in the upcoming election, this beloved land of liberty, which has been a beacon of hope to the world through the centuries, may become a distant memory that future generations will only read about in history books. It saddens me to think that this could be the fate of our children and grandchildren. I pray for the emergence of Americans who will come out of their hiding places to let their voices be heard on Election Day, November 5. I encourage you to read this voter guide and share it with family and friends.

May God bless you and your family, and may God bless America.
